

HE WASN'T ALWAYS RED. BUT HE'S ALWAYS BEEN THIRSTY.

Here's the story of our tree frog, a little guy with a big personality who traded in the rain in the forest for some fun in the sun. He's been living aboard Carnival, making new friends along the way in his pubs, and life is good.

So why's he red? Some say it's because he takes that "paint the town" saying a little too seriously. Others say his redness comes from all those deliciously lazy days in the sun. Traveling from port to port, soaking it in up on that huge red funnel of ours. But we know it's all about that free-spirited, vivacious will of his—to live life to the fullest.

Quite a story, but hey, he's quite a frog.

And inspired by fun conversation with great friends looking for some awesome new brews to tempt their beer-loving palates, The Frog has become quite the craft brewer! He's having a ball playing with his own secret flavors and is now producing some of the best brews you've ever had. Right here.

So we welcome you to his coolest new hangout, the RedFrog Pub & Brewery. Where the brews are fresh, the music's good and the island atmosphere is super chill.

Sit. Relax. Stay awhile.
